Celebrating a Decade of Exceptional Growth and Success -

Dear ChampSoft family,

As the Chief Executive Officer of ChampSoft Corporation,

I am incredibly proud to announce the 10th anniversary of our Sri Lankan branch. Our journey so far has been nothing short of extraordinary, and as we celebrate this milestone, it seems fitting to look back at our achievements and forward to an exciting future.

A decade ago, we embarked on a journey in Sri Lanka, armed with a bold vision and a commitment to delivering excellence. Today, we are more than just a software corporation; we are a family of passionate, dedicated, and innovative individuals who have consistently pushed the boundaries of what is possible.

None of this would have been feasible without our dedicated employees, past and present. Your hard work, unyielding determination, and relentless drive for innovation have not only shaped ChampSoft but also carved out our standing in the industry. I sincerely thank each one of you for your invaluable contribution and for being part of our story.

As we celebrate this decade-long journey, it's crucial to acknowledge that the next five years will be seminal for our growth. Therefore, we are delighted to announce the appointment of Ray Guzman as our Strategic Advisor and Dan Hays as our Strategic Planner. Their industry knowledge, expertise, and innovative approach will guide our journey towards achieving new heights.

We have set ambitious but achievable goals for the next five years, which we believe will propel our company to generate revenue of 50M by the end of 2025. These goals embody our mission to continue to disrupt, innovate and lead in our chosen markets.

A corporation is only as strong as its people, and at ChampSoft, we believe in the power of collective intelligence. We're not just a company built by one, but an enterprise shaped by the brilliance of many. As we move forward, it's this collective strength that will drive our success.

Once again, I thank all of you for being part of ChampSoft's remarkable journey and look forward to many more years of innovation, growth, and success.

Dear ChampSoft Team,

It brings me immense joy and pride to address you all on this momentous occasion - ChampSoft's 10th Year Anniversary! Today, we gather to celebrate a decade of unwavering commitment, innovation, and success. I am humbled to stand before a team that has consistently demonstrated dedication and excellence in everything we do.

As we look back on our journey, we can't help but marvel at the milestones we've achieved. From humble beginnings to becoming a leading name in the IT industry, our relentless pursuit of excellence has borne fruit. We've successfully delivered countless projects, solved complex challenges, and earned the trust of clients from around the globe.

None of this would have been possible without the extraordinary talent and dedication of our incredible team. Each one of you has played an integral role in shaping ChampSoft's success story. Your hard work, passion, and unwavering commitment have been the driving force behind our achievements.

As we celebrate this milestone, let us also take a moment to express our gratitude to our clients and partners who have placed their trust in us. Their unwavering support has been instrumental in our journey and is a testament to the quality of our work.

Once again, thank you, each and every one of you, for your dedication and passion. It is because of your hard work that we stand tall today. Together, let's embrace the future with enthusiasm and continue to create magic with technology.
